

CHIPOTLE SUPPLIER CODE OF CONDUCT

BACKGROUND

Chipotle is committed to sourcing high quality ingredients that are grown, raised, and harvested with respect for people, animals, and the land. We work to create and celebrate integrity in all aspects of our business, including how workers are valued and the way crops are grown, animals are treated, and the environment is impacted.

Our best business success is achieved by honoring and empowering our restaurant managers and crew members. Chipotle strives to grow and earn profits ethically by balancing social, environmental, and financial commitments to shareholders, customers, employees, and the public. We seek out suppliers who share and champion our core values, and act with honesty and integrity.

We are committed to complying with the law and maintaining the highest standards of honesty, integrity, and conduct. Chipotle also requires that its suppliers comply with basic principles and regulations that protect, and respect, workers, animals, and the land. We proudly do business with suppliers who uphold the same principles.

Notable material and findings about our supply chain can be found in Chipotle's Sustainability Report at chipotle.com/sustainability.

Physical punishment, confinement, use of weapons, threats of violence, or other forms of physical, sexual, psychological, or verbal harassment or abuse is strictly prohibited.

CHILD LABOR

Suppliers must not use workers who are under the applicable legal minimum age of employment of the jurisdiction in which they are working and must follow all applicable child labor laws. If the jurisdiction in which the Supplier is doing business does not have a minimum age of employment, the minimum age shall be 15 years of age or, if greater, the age for completing compulsory education. In addition,

persons younger than 18 years of age shall not perform work that is likely to jeopardize their health or safety, including night shifts and overtime.

WAGES AND WORKING HOURS

Employees and workers of suppliers and any subcontractors of suppliers must be fairly compensated and provided with wages and benefits that comply with applicable laws, including required compensation for overtime work and other premium pay dictated by law. Suppliers and their subcontractors shall comply with all laws and with industry standards pertaining to the number of hours worked per day or week and consecutive days worked. Employees and workers shall be provided with reasonable daily and weekly work schedules and adequate allowance shall be made for time off.

Suppliers and their subcontractors shall comply with laws prohibiting discrimination in hiring and employment practices on the grounds of race, color, religion, sex, age, physical ability, national origin, sexual orientation, gender identity, and any other applicable legally protected class. Suppliers and their subcontractors shall also comply with laws prohibiting unlawful harassment and retaliation.

WORKPLACE ENVIRONMENT & ACCOMMODATIONS

All employees must be safe in their workplace. Suppliers shall provide their employees and workers with safe and healthy working and, where provided, living conditions. At a minimum, potable drinking water, clean restrooms, adequate ventilation, fire exits, essential safety and protective equipment, and related training in a language the worker can understand, an emergency aid kit and access to emergency medical care, and appropriately lit work stations must be provided. Work and living facilities must be constructed and maintained in accordance with the standards set by applicable codes and ordinances and must include appropriate fire detection equipment, clear and unobstructed egress and adequate exit facilities. Suppliers shall not endanger any employee's or worker's safety. Living accommodations must be clean, safe, and meet the reasonable, basic needs of residents.

IMMIGRATION COMPLIANCE

Suppliers shall comply with applicable immigration laws, including in the U.S. the Immigration Reform and Control Act and related regulations that require employers to determine the identity and work eligibility of employees and take appropriate action if becoming aware that an employee does not have appropriate authorization or status to work in the U.S.

ETHICAL BUSINESS PRACTICES

Suppliers are forbidden to offer or accept bribes or kickbacks, or to participate in or condone falsifying documents, collusive bidding and price fixing, and unfair trade practices and must fully comply with the U.S. Foreign Corrupt Practices Act, U.K. Bribery Act, the EU Anti-Corruption Framework and related regulations.

ENVIRONMENT & SUSTAINABILITY

We believe that protecting the environment is all of our responsibility. Chipotle complies with all applicable environmental laws, regulations and permit requirements and expects all companies and contractors with which we partner to do the same. Suppliers shall comply with applicable environmental laws and regulations.

FOOD WITH INTEGRITY (FWI)

(APPLICABLE TO FOOD AND INGREDIENT SUPPLIERS ONLY)

As part of our FWI commitment, we require our food and ingredient suppliers to certify, through a separate certification process, to the following:

Responsibly Raised Meats:

All animals have been responsibly raised, which means that they're treated humanely from birth to slaughter, fed a vegetarian diet and never given added hormones or sub-therapeutic antibiotics.

rBGH Free:

100% of the milk in our sour cream, cheese and queso comes from cows that have never been treated with rBGH (Recombinant Bovine Growth Hormone).

Outdoor-Raised Dairy:

Weather permitting, active milk cows have access to the outdoors, are fed an all-vegetarian diet, and are never given sub-therapeutic antibiotics or added hormones for growth promotion.

GMO Free:

All food ingredients sold to us are non-GMO (however some beverages may contain

GMO ingredients, and much of the meat and dairy comes from animals fed at least some GMO grain).

All ingredients and processes must comply with our FSQA requirements.

All ingredients must be traceable, with transparency covering point of origin, growing, handling, and harvesting practices.

Certifications will be sent separately from this Code of Conduct.

We also strongly prefer (but do not require) that our suppliers comply with the following aspirational attributes, when possible.

Organic:

When possible, produce should be grown organically as per USDA Organic Certification.

Local:

When possible, food should be sourced from within 350 miles of a distribution center.

Farmers:

Farmers should raise their animals and crops with respect for the long-term health of the land and community.

COMPLIANCE

All suppliers and their affiliates, subcontractors, employees, workers, and agents must comply with this Code of Conduct. Suppliers must promptly notify Chipotle of any violation of this Code of Conduct. Failure to comply with this Code of Conduct may be cause for Chipotle to revoke a supplier's approved status and may be considered a breach or violation of any agreements Chipotle has with such supplier. This Code of Conduct is in addition to any other Chipotle policies, codes, and agreements which might apply to a supplier, and Chipotle may add to or modify this Code of Conduct, and request suppliers to accept and agree to the terms, from time to time.

NOTICE, MONITOR, COMPLAINTS

Supplier shall be responsible for any noncompliance with this Code of Conduct by any employees, subcontractors, agents and others who are providing services to Chipotle on behalf of Supplier. Each supplier shall be responsible for monitoring its own business, and the business of its subcontractors and affiliates, for compliance with this Code of Conduct.

Suppliers shall implement and maintain a program for employees, workers, and other people to report complaints and concerns to the supplier, and supplier will promptly and appropriately respond to complaints and concerns that are valid.

VALIDATION BY CHIPOTLE

Chipotle may conduct inspections, audits, and evaluations of suppliers and their business practices, records, facilities, and, where provided, housing accommodations. Chipotle may also conduct inspections, audits, and evaluations of suppliers' subcontractors, affiliates, and agents. Suppliers shall preserve all information necessary to demonstrate and document compliance with the Code of Conduct. Chipotle follows a continuous improvement philosophy and will work with Suppliers on corrective action plans to address any negative audit findings.
