NEWPORT BEACH, Calif., April 2, 2024 / [Chipotle InvestorRoom](#) / -- Chipotle Mexican Grill (NYSE: CMG) today announced it is launching a new interactive game, Burrito Vault, that will give away 100,000 Buy-One-Get-One free entrée codes\* redeemable exclusively on National Burrito Day, April 4.

Starting at 12pm PT today, fans can access the Burrito Vault game by visiting [chipotle.com/burritovault](#). The brand is challenging fans to guess two exact order combinations, ingredient by ingredient, that will unlock the bank. Prizes are available for the first 50,000 fans on April 2 and April 3 who successfully decipher the Burrito Vault code. The game will open daily at 12pm PT.

With more than 1.34 billion possible burrito combinations at Chipotle, Burrito Vault shines a light on the versatility of Chipotle's customizable menu, made with more than 53 real fresh ingredients and no artificial flavors, colors or additives.

### How It Works:

1. Upon entering the game, players must attempt to unlock the Burrito Vault by guessing the correct Chipotle order. Players have four attempts each day.
2. The first 50,000 players to unlock the Burrito Vault by guessing the correct Chipotle order each day will win a BOGO code. Winners must input a valid U.S. mobile phone number and the BOGO code will be texted to them.
3. All players who correctly guess the Chipotle order and unlock the Burrito Vault will be automatically entered into Chipotle's National Burrito Day sweepstakes, where 53 fans will be randomly selected to win free burritos for a year.\*

"We are launching Burrito Vault ahead of one of our most popular Chipotldays, National Burrito Day, giving players multiple opportunities to play and win," said Chris Brandt, Chief Brand Officer. "Burrito Vault is inspired by the popularity of word puzzles, which have swept the nation and become a daily ritual for so many of our fans and team members."

On National Burrito Day, April 4, Chipotle is extending a \$0 delivery fee offer\*\* to all Chipotle Rewards members ordering via Chipotle.com, Chipotle.ca and the Chipotle app with code DELIVER.
